

Prior Authorization

Prior Authorization is required for the following covered services

- **Durable Medical Equipment, Prosthetics and Related Supplies (over \$500)**
- **Inpatient Hospital Care and Mental Health Care**
- **Dialysis Services**
- **Outpatient High Tech Radiological Diagnostic Services**
Includes MRI, MRA, PET, CTA, CT and SPET Scans
- **Outpatient Surgeries and Procedures**
- **Home Health Services**
- **Skilled Nursing Facility (SNF) Care**

Services must be provided according to the Medicare Coverage Guidelines and limitations and are subject to review.

All medical care, services, supplies and equipment must be medically necessary. Authorization forms and supporting documentation should be faxed to 844-798-4357 with all necessary and proper information to support the request for services and medical necessity.

This may not be an all-inclusive list. Please call provider services at 1-800-485-3793 if you have any questions.
